Dear Warden Woods,

Please find attached the request of our client, Christopher C. Collins (Reg. No. 86014-054) and supporting documentation requesting that you transfer Mr. Collins to home confinement to serve the remainder of his sentence pursuant to statutory authority and recent directives issued by Attorney General William Barr. As detailed more fully in Mr. Collins' request and the attached supporting documents, in light of his age of 70 years, health conditions, which include high blood pressure, asthma, and hyperlipidemia (high cholesterol), and his vulnerability to experience severe illness or death should he be exposed to, and contract the novel coronavirus (COVID-19), we believe that extraordinary and compelling reasons exist for such action. We are also sending you Mr. Collins' request via Federal Express. Thank you for your time and consideration of Mr. Collins' request.

Best regards,

Jonathan R. Barr
